

Kill 'em with Kindness

Be kind to one another for everyone you meet is fighting a secret battle. Kindness radiates from your heart. No matter what you are going through, you can rise above and lift up the life of another. Those who practice random acts of kindness show us the world isn't such a bad place after all. Your smile will disarm the agitation of another. A soft answer will turn away wrath. Sow peace in others.

God shines through people of kindness. Be generous, the first to say Hello. Everyone is our neighbor. You can't judge a book by its cover, nor a person by their looks, dress or flaws. Look for the good in another. Be quick to compliment and encourage. Your words can inspire someone's day. Your attitude will make a difference. Kindnesses done will not be forgotten in Heaven. Walk humbly with God and be kind. Kindness is the nature of the divine.
